## REAL LIFE RESULTS: ACTIVE SERUM

Our most popular product, this fast-acting, long-term, results-oriented formula decreases the appearance of fine lines and wrinkles, visibly evens skin tone, and is excellent for blemish-prone skin.

Touted by physicians as “remarkable” and “phenomenal,” Active Serum typically produces results within a couple of days. Potent activity will be noted upon application, as evidenced by a cooling tingling sensation. Excellent for all skin types and all ages, this powerful botanical serum leaves the skin clear and smooth.

## REAL LIFE RESULTS: YOUTH EYE COMPLEX®

Youth Eye Complex® is a breakthrough formula that utilises advanced technologies to combat the visible signs of ageing.

Increased and continued collagen and elastin synthesis rebuild and strengthen the dermal structure, resulting in continued reduction in more pronounced wrinkles. Dark under-eye circles become less pronounced by inhibiting melanin synthesis and strengthening delicate skin.

## REAL LIFE RESULTS: SHEALD RECOVERY BALM®

SHEALD Recovery Balm is a moisture-rich formula that dramatically replenishes hydration to dry, sensitive or compromised skin. This fortifying remedy works overtime to help support the skin's function while soothing, curative botanicals relieve discomfort of dry, distressed, and post-procedure skin.

- Originally created as a post-procedure balm
- The only iS Clinical product that can be placed on an open wound
- Anyone receiving in-office treatments like lasers, peels, and microneedling should be going home with this product
